Sofia, 20 September 2025

Dear Governor Miller,

Dear Bob,

It is an honor and a pleasure for me to congratulate you on being awarded the highest distinction by the Ministry of Foreign Affairs of the Republic of Bulgaria — the Golden Laurel Branch.

Your significant contribution to our bilateral relations as Honorary Consul of Bulgaria for Nevada and the friendly attitude that you have continuously demonstrated towards our country and our people, are highly deserving of this prestigious award.

I remember our first meeting so many years ago and all the meetings and conversations that followed, as it has always been a pleasure to converse and work with you. Your diverse interests and knowledge of European politics, as well as your love for my homeland have made our meetings memorable. And I appreciate working alongside you for the Clinton Global Initiative.

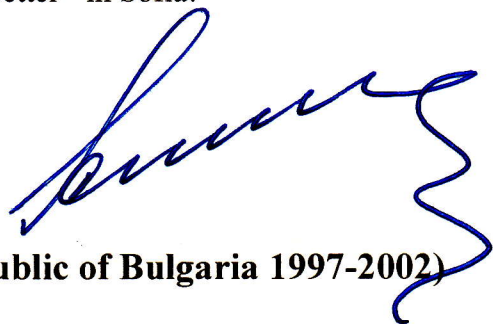

Dear Bob,

Allow me to congratulate you once again and wish you good health and continued energy.

I look forward to seeing you on the West Coast, or even better - in Sofia!

Petar Stoyanov
